The price for any given health care service is an estimate and the actual charges are dependent on the circumstances at the time the service is rendered.

These prices are for the facility fee only. The facility fee does not include laboratory, pathology, surgeon, or anesthesia fees. You will be billed separately for these fees. For the surgeon's fee, please contact your surgeon's office directly. For the anesthesia fee, please contact Community Anesthesia at (970) 254-1686.

If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular health care service provided by a health care provider at this surgery center. If you are not covered by health insurance, you are strongly encouraged to contact our billing office at (970) 773-2350 to discuss payment options prior to receiving a health care service from a health care provider at this surgery center since posted health care prices may not reflect the actual amount of your financial responsibility.
